

TECHNICAL DATA SHEET | Section 11.3

SUPER SEAL TAPE

Pressure Sensitive Tape for Metals, Flashings, Plywood and Concrete Surfaces

Product Description

Super Seal Tape is a 9 mil thick, laminated, spun-bonded polyester substrate reinforced with hybrid polyester fibers. These fibers have been specifically created to provide high modulus of strength on initial impact. The adhesive is a highly aggressive acrylic system that delivers high tack and high shear strength. This product has an excellent adhesion to metal or wood. The adhesive has excellent cold temperature and condensation resistance with an extremely wide application gradient and a built-in ultra violet stabilizer system.

Packaging

Widths: 4", 8", 12", 16", 24" and 48" rolls (10.14 cm, 20.14cm, 30.48 cm, 60.96 cm, 121.29 cm) Lengths: 180' (55 m)

Color

White

Features

- Adhesion to Most Common Construction Metals
- Coating Ready
- Compatible with Most Coatings
- FastTack Set
- Field or Shop Applied to Substrates
- Labor Saving
- Ultra-Violet Stable
- User Friendly
- Waterproof

Typical Uses

- Balcony and Breezeway Waterproofing
- Balcony Flashing Tape
- Basements
- Coatings Over Metal
- Foundation Walls
- Green Roof Waterproofing
- Roof Repair
- Roofing Joints

Technical Data

Base Material	Spun-Bonded Polyolefin
Fibers	Polyester Hybrid
Thickness	9 Mils (2.286 microns)
Tensile	1,000 lbs per inch
Elasticity	6%
Memory	98%
Temperature Resistance	10 to 250°F -4 to 121°C
Minimum Application Temperature	-23°C (-9.4°F)
Release Liner	90 GSM PE Liner
Adhesion to Galvanized Steel	28.5 lbs p/Lft @ RT 20 min Dwell
Adhesion to Copper	24.75 lbs p/Lft @ RT 20 min Dwell
Adhesion to Steel	32.25 lbs p/Lft @ RT 20 min Dwell
Adhesion to Aluminum	38.66 lbs p/Lft @ RT 20 min Dwell

Limited Warranty: Please read all information in the General Guidelines, Technical Data Sheets, Guide Specifications and Safety Data Sheets (SDS) before applying material. These products are for professional use only and preferably applied by professionals who have prior experience with the Polycoat Products materials or have undergone training in application of Polycoat Products materials. Published technical data and instructions are subject to change without notice. Contact your local Polycoat Products representative or visit our website for current technical data, instructions, and project specific recommendations.

Polycoat Products warrants its products to be free of manufacturing defects and that they will meet Polycoat Products' current published physical properties. Seller's and manufacturer's sole responsibility shall be to replace that portion of the product which proves to be defective. There are no other warranties by Polycoat Products of any nature whatsoever expressed or implied, including any warranty of merchantability or fitness for a particular purpose in connection with this product. Polycoat Products shall not be liable for damages of any sort, including remote or consequential damages resulting from any claimed breach of any warranty whether expressed or implied. Polycoat Products shall not be responsible for use of this product in a manner to infringe on any patent held by others. In addition, no warranty or guarantee is being issued with respect to appearance, color, fading, chalking, staining, shrinkage, peeling, normal wear and tear or improper application by the applicator. Damage caused by abuse, neglect and lack of proper maintenance, acts of nature and/or physical movement of the substrate or structural defects are also excluded from the limited warranty. Polycoat Products reserves the right to conduct performance tests on any material claimed to be defective prior to any repairs by owner, general contractor, or applicator.

Disclaimer: All guidelines, recommendations, statements, and technical data contained herein are based on information and tests we believe to be reliable and correct, but accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty, either expressed or implied. It is the user's responsibility to satisfy himself, by his own information and test, to determine suitability of the product for his own information and user assumes all risk and liability resulting from his use of the product. We do not suggest or guarantee that any hazard listed herein are the only ones which may exist. Neither seller nor manufacturer shall be liable to the buyer or any third person for any injury, loss or damage directly or indirectly resulting from use of, or inability to use, the product. Recommendations or statements, whether in writing or oral, other than those contained herein shall not be binding upon the material and proper application procedures. Test performance results were obtained in a controlled environment and Polycoat Products. All **rights reserved**. Revision 20200403.EA
